REQUEST FOR CERTIFICATE OF CORRECTION  
OF PATENT UNDER 37 CFR 1.322

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Certificate  
MAY 31 2007  
of Correction

Attached in triplicate is Form PTO-1050 (Certificate of Correction) at least one copy of which is suitable for printing. The exact page and line number where the error is shown correctly in the application file is as follows:

1. Page 1 of the specification, at paragraph [0001], at which it is stated that:

"The present application is continuation-in-part of two co-pending applications that are commonly assigned to the assignee of the present invention, the first of which is entitled "Controller Fault Recovery System For A Distributed File System", Application Number 09/691,579, filed October 18, 2000 (the "Parent Application"); and the second of which (the "Continuation Application") is entitled "Controller Fault Recovery System For A Distributed File System", Application Number 10/717,314, filed November 18, 2003, the Continuation Application being a continuation of the Parent Application; the Parent Application being a

continuation-in-part of one co-pending application and one patent, each of which is also commonly assigned to the assignee of the present invention, the one co-pending application being entitled Computer System Storage, Application Number 09/261,708, filed March 31, 1999 (the '708 Application"); and the patent being U.S. Patent 6,530,036, issued March 4, 2003 entitled "Self-Healing Computer System Storage" (the "Patent")"

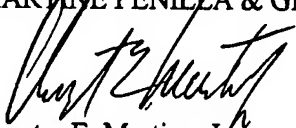

In contrast, under the heading "Related U.S. Application Data", the captioned issued patent recites that the captioned application is a continuation-in-part of only the Application Number 10/717,314, filed November 18, 2003. Thus, in the "Related U.S. Application Data", the captioned issued patent omits the reference to the other application on which the captioned application and patent is based; namely also being a continuation-in-part of Application Number 09/691,579, filed October 18, 2000.

Please send the Certificate to:
